Built to Last: The series 5800 is designed and built to provide a lifetime of reliable performance. It features a wider, thicker profile for added strength and a more traditional appearance. Fusion-welded construction creates a strong, weather-tight door.

Proven Performance: Tested and certified to the AAMA standards for strength and durability, the Series 5800 achieved a design pressure rating of Dp50

Energy Efficient: 7/8" insulated glass helps combat rising heating and cooling costs. LoE Glass with Argon Gas provides superior energy savings, keeping your home warmer in the winter and cooler in the summer. Dual weatherstripping creates a virtually weather-tight seal, helping eliminate drafts.

Durable and Distinctive Hardware: The Series 5800 comes standard with an elegant handle design and a multi-point locking system for increased security. Dual ball bearing, self-leveling rollers and a rigid rolling track result in smooth, effortless operation.
