

Premium New Construction Single-Hung Window

Silver Line
WINDOWS • DOORS™

V1 Series Single-Hung Window

Features & Benefits:

- 5/8" insulated low-e argon glass helps save energy and helps reduce heating and cooling costs
- Fusion-welded frame and sash create strong, weathertight corners
- Integral "J" channel allows for neat, easy trimming of exterior siding to the window
- Colonial brickmold design for a traditional appearance
- Dual weatherstripping virtually eliminates drafts for a more energy efficient home
- Grilles are sealed within the glass for easy cleaning
- Twin windows are made with a continuous, one-piece frame for improved strength

From its elegant exterior appearance to its sturdy construction, the Series 4900 single-hung window is our premium window. An excellent balance of energy savings and low-maintenance is achieved with this incredibly durable and attractive vinyl window. It combines the classic look of colonial molding with the high quality craftsmanship to keep out the elements. Easy installation and improved energy savings make the Series 4900 single-hung window an excellent choice.
